ROTAS

We welcome anyone who would like to participate on any of the rotas, but in particular, cleaning and flower arrangers, as numbers on these teams have dropped considerably. Additional Sacristans would be helpful, an essential but not difficult task.

TURRET CLOCK

The turret clock which was donated to us some time ago is to be got working again, and then it will go on loan to Chailey Windmill museum, where it can be viewed more readily by the public.

FUTURE MISSION OF ST PETER'S

I think you will all agree that we have a rather ageing congregation and we must wonder where the church is heading in the future. It has been here for generations and we hope for generations to come, but we need, all of us, to encourage more people to come and join us in worship, particularly the younger generations for they are the future. Please take this opportunity to give this some thought. Let us know what you visualise the future for our church to be, and we welcome suggestions for future panning. We want to become more involved in the youth mission and Revd Paul has acquired a grant from the diocese to help with this. Ali Brown has been working with Barcombe, Newick and Fletching for a number of years and will join us in Chailey by going in to the Primary School (she has already done this) and encouraging young children to learn about Jesus. She runs The Owls at Newick and Palm Club at Barcombe. Newick run a youth club a large number of those who attend come from Chailey, so maybe there is a need for one here. Gemma used to run the youth club but she lacked support. All this is food for thought, especially for the PCC who will be discussing this at their next meeting. We want our church to be much more a part of the village, and it is the village who want it there for their weddings, baptisms, and funerals.
