

Hello!

As you know, Holiday Club this year is called Aquatastic and the main focus is Water, and the importance of water in Jesus' Ministry! There is a water-themed activity each day and one of those is water-bomb throwing! I try to be as eco as possible when running my groups so have ordered some CE tested, eco, reusable hand-crocheted water bombs from

Scotland. However, I wondered if there were any members of the congregation who might like to have a go at crocheting some more for me? Sorry - I've left it a bit late to be asking as holiday club is in less than x2 weeks time 23-25 August but they can be used again at other activities whilst the weather remains warm, such as at NYC.

The ones I have ordered are approximately 8cm x 11cm and made from chenille.

Here is what I ordered: [CE Tested Reusable Water Balloons Random Colour Mix Multibuy - Etsy UK](#)

Here is a link to a site talking about how to make them: [Reusable Water Bombs- Crochet, washable, and FUN! * My Workbasket](#)

Please could you also save your corks for holiday club. Ali

This was a copy of a letter that Annette Shelford sent to Fr Paschal of St Mary's, Somers Town. His reply is on the back of this sheet. We thought it would interest some of you because of the connection with our churches history.

August 1922

St Mary's Choir Boys Outing from Somers Town

This happened once a year and came about because Basil Jellicoe was for a time a priest at St Mary's before becoming Missioner at the Magdalen College Mission in Somers Town. This was an area of exceptional overcrowding and poverty between the Euston and St Pancras railway stations. His father was of course Thomas Harry Lee Jellicoe Rector of St Peters.

His letter of thanks ran thus:

The best thanks we can give you for your kindness to us is to say that you helped some dear children who belong to God's Church, and who very seldom see green fields and lovely scenery. The boys loved your church too and were delighted to find that your services were like their own.

And we are sure that their hearts will treasure the kindness and goodness of Chailey folk until the long days pass and they come again perhaps next year for a fortnight. But it will be a long, long time for them, think how long a year is to a boy.

The Camp itself was a romance since scarcely one of the boys had been in a Camp before. They were stirring times not only of dying embers and soup and stew of adventures with fire and cows and water. Fortunately, our good Angels were always with us and not only to prevent us from falling in the water but to prevent us falling out with each other. For there was no quarrel during the whole of the week. It just goes to show what God can do with boys who try to love him in spite of all the hindrances and disadvantages of living in dingy streets and packed out tenements.

Father Basil Jellicoe, transformed housing in Somers Town. Picture: Camden Local Studies and Archive Centre

He was born in Chailey on 5th February 1899 to parents Bethia and Thomas Harry Lee Jellicoe where his father was Rector. Basil Jellicoe died on 24th August 1935 at the age of 36. A blue plaque was unveiled in his honour in Camden in 2014. He is commemorated in the diocese with a memorial date of 24th August

Dear Annette,

How thoughtful and kind of you to send me the lovely "Thank You letter" of Father Basil to the people of St. Peter`s, after the choir-boys holiday in 1922. It is so lovely to "hear" his ,almost poetic, voice speaking through his well-chosen words.

Last year we celebrated Fr Jellicoe`s 100 years of arriving in Somers Town and next month , as part of a Heritage Lottery Fund application, St.Mary`s Somers Town is having a day to think again about his contribution to social-housing etc.

Alas, at present, St Mary`s is closed, due to urgent masonry problems, but we hope that, once the scaffolding is up, we can re-open for Mass etc. It is a great "loss" to have our church shut for months...shades of Covid times!

We have sent out a weekly newsletter , to try and keep the "family" together (with times of services in our other churches in our Team), and if you want to get it please copy and paste the web address: <http://eepurl.com/hN24nLL> , and you can keep up to date with our present plight ! Somers Town is still a poor area so the church building is in urgent need of repair. We hope the Lord and His holy Mother will smile on us !

Apologies for my tardiness in replying, but I have been ill and then out of the parish, but I am so touched that you bothered to write to me with this beautiful

Thank you so very much for sending this letter to me. Much appreciated !! I`m sure your fellow parishioners will have been interested in reading it.

All blessings and joys,

Fr Paschal
