### The Restoration Station

At The Restoration Station children will be introduced to Jesus as a restorer. Using key stories from John's Gospel, the children will discover how Jesus is the master craftsman who heals and restores.

Designed to fit in with church life, and busy family schedules, The Restoration Station offers both a three-day resource book and additional online resources to extend your holiday club by a further two days. Supported by colourful children's activity books, Toolbox and Logbook available from our resource hub, you can pitch your club at children between the ages of 5 to 11, with activities designed to suit them.

LET'S CELEBRATE TOGETHER!
