The Bevern Trust Summer Challenge!

The Bevern Trust, based in Barcombe, are enjoying a summer of fun and fundraising and putting it all into the hands of our supporters. We would love to encourage everyone to decide your own personal challenge and help raise money for the Bevern Trust.

Our fundraising target for the Summer Challenge is to help our support staff give our non-verbal residents a voice. It's so important to capture and evidence how our residents have been throughout the day and having easy access to devices such as ipads, tablets or laptops means our staff can log and feedback all of those vital details, ensuring that we can provide the best possible personalised care.

We've got lots of suggestions for your personal Challenge but ultimately, it's up to you what you do – anything from a sporting challenge or giving up your favourite food, to baking, art, craft or plant sales and everything in between! Check out our Fundraising page on our website at www.beverntrust.org for more ideas or come up with your own. All our residents will benefit from your generous fundraising this summer so, what are you waiting for? Let's meet the Challenge!

Thank you so much for your support!
