The Restoration Station

At The Restoration Station children will be introduced to Jesus as a restorer. Using key stories from John's Gospel, the children will discover how Jesus is the master craftsman who heals and restores.

Designed to fit in with church life, and busy family schedules, The Restoration Station offers both a three-day resource book and additional online resources to extend your holiday club by a further two days. Supported by colourful children's activity books, Toolbox and Logbook available from our resource hub, you can pitch your club at children between the ages of 5 to 11, with activities designed to suit them.

As retiring church wardens, Chris and Teresa would like to extend their thanks to all St Peter's congregation for the support you have given us over the last few years. With an Interregnum and Covid, it hasn't been the easiest of times but so much has been achieved. Despite losing valued members of the congregation through various reasons, illness, moving home and death, we have also gained new attendees and are heartened that our numbers have regained pre Covid levels. We could not have run so smoothly without your help. Please continue to give the love and support to the new church wardens elected at today's meeting.

*God, give us eyes to see
the beauty of the Spring,
And to behold Your majesty
in every living thing -*

*And may we see in lacy leaves
and every budding flower
The Hand that rules the universe
with gentleness and power -*

*And may this Easter grandeur
that Spring lavishly imparts
Awaken faded flowers of faith
lying dormant in our hearts,*

*And give us ears to hear, dear God,
the Springtime song of birds
With messages more meaningful
than man's often empty words*

*Telling harried human beings
who are lost in dark despair -
'Be like us and do not worry
for God has you in His care.*
