'Each one must do as he has made up his mind, not reluctantly or under compulsion, for God loves a cheerful giver. 2 Corinthians 9 v 7.

Dear residents of Chailey,

I believe that one of nature's most beautiful works of art is the spider's web. Its intricate pattern consists of strand upon strand of delicate engineering and it always makes me gasp when I see one. Add a few drops of rain or a frost and there before you lies the Taj Mahal suspended by threads in the air and then the beautiful becomes exquisite.

In the Autumn we were trapped in a giant spider's web at the Rectory and it was a little bit unnerving. The scaffolders arrived and began building a giant meccano set around our house, that too became a work of art, but not so beautiful. We could not go into any room without wondering if someone was watching us. I spent a lot of time checking if the coast was clear, so that we could do all the things that we had to do. We felt trapped, but we knew it would only be a temporary prison, just a gentle house arrest.

The builders left just before Christmas and left us with the most generous gift. Warmth. I have been cold for 30 years, albeit in Church or in Vicarages. Poor heating, poor insulation and draughty windows. Now we have cavity wall insulation! What joy. I can close my eyes and dream I am on a tropical shore. Well Brighton on a sunny day. Add to that the duvet our son gave us for Christmas and life is good and warm.

Change of Scribe

When I arrived in Chailey 8 years ago it soon became apparent that we needed to move the Church forward and extend our facilities to reach out into the community. We needed to make it easier for parents with young children and the schools to use the building and therefore we needed a purpose built lavatory, with baby changing facilities. We built this, but we are still cold. As our catering opportunities grew, we needed to build a kitchen and we have. We now feed 40/50 people every month at our Lunch Club, but we and they are cold. Our toddler group, which meets on a Friday morning, and is free to attend, is thriving, we are meeting new babies and parents every week, but we need more space and we are cold.

Our concerts are successful but we are cold. At St Peter's Church we have a welcoming group of people who work hard to make our Church a friendly place. We are striving to continue to bring our Church into the 21st century, but we need space to achieve this and we need warmth. We have created space at the back of the Church, but we need more.

Now we must begin Phase 2 of the work

We have written numerous applications to charities asking for financial help and grants, but we must now begin our own fund raising. To that end we are having a Gift Day on the 31st March in Church. A Gift Day is a day for people who do, or don't attend Church regularly, to have the opportunity to make a one-off gift to help support the Church and in our case, the building project. We hope that as we give the Parish the opportunity to show their thanks for the Church, its ministry and all the memories that life in a rural Parish brings, you may feel happy to make a contribution to our work. The Church will be open on the 31st March between 2-4pm. There will be musical entertainment, tea coffee and cake. We would like to invite you to come and enjoy the beautiful Easter flowers, or just come and sit if you wish to enjoy the peace of our lovely Church. Or make a gift, if that is your wish.

We have to re-new our heating system as our boiler is rapidly failing, we have been told it probably will not last another year. We want to make space for the toddler group

and to be able to seat more guests at our Lunch Club and also make it easier to hold Craft Fairs, Art Exhibitions, Concerts and all the other activities we are involved in. We believe that God will provide all that we need, therefore we hope that you will come on the 31st March and we pray that you will be happy to make a gift. You can put your gift in an envelope and only the Treasurer will know the contents. You can also be totally anonymous too if you wish.

After a funeral I took some time ago in Church, I heard two elderly men speaking, one said to the other "I am absolutely frozen," to which the second man replied, "I haven't been to Church for years and now I remember why."

This is your Church and we need your help. Thank you.

From all at the Rectory

Graham Barber - CHEC Founder

It is with great sadness that we announce the passing of Graham Barber our Founder and Trustee of CHEC and father to current CHEC managers Matthew & Daniel. Graham founded CHEC in 1995 following the identification of a lack of work opportunities for his students at Chailey Heritage School post education. He led the CHEC team for fifteen years and oversaw the organisation's separation from the school in 2002 where CHEC became a separate charity in its own right. Following his retirement in 2010 Graham joined the board of Trustees and was instrumental in developing the plans for CHEC's future. We will all miss him terribly.

Graham's funeral will be held at 10:30am on Wednesday 7th February 2018 in St Richard's suite at Surrey & Sussex Crematorium, Balcombe Road, Crawley RH10 3NQ. Afterwards a wake will be held at Mid Sussex Golf Club, Spatham Lane, Ditchling, BN6 8XJ from 12.30pm.

NEIGHBOURHOOD PLAN: PROGRESS REPORT AND AN INVITATION

Progress Report

The Steering Group has been working diligently to refine the policy proposals in the draft Plan, particularly regarding future housing development in the village, and to strengthen the underlying evidence base. (It is not enough for the Plan simply to reflect residents' views: the Inspector, who will have to approve the Plan, before it can come into force, will need to be satisfied that its prescriptions rest on a firm evidence base rather than just a wish list.)

To this end, Chailey Parish Council has engaged the research arm of Lewes District Council to conduct on its behalf a Housing Needs Survey during February and early March. The earlier Shaping Chailey Questionnaire, which was the first step in drawing up the Neighbourhood Plan, identified in qualitative terms the general direction which Chailey residents thought that future housing developments should follow. The objective of this latest survey is to provide more precise evidence about the sort of new housing that Chailey residents judge to be needed in the coming years. This information will provide the evidence base for the housing policies to be included in the final version of the Neighbourhood Plan.

Invitation to Villagers

The survey will be posted to all households in Chailey in the second week of February. Please complete the survey, ticking the boxes that apply to you and the members of your household, and return the completed form in the pre-paid return envelope provided promptly.

Participation is voluntary, but the Council hopes that most residents will wish to take part in this important initiative. All responses will be treated as confidential and will be protected under the 1998 Data Protection Act. Specifically, individual responses will be seen only by the researchers who will analyse and tabulate the returns. Neither Chailey Parish Councillors nor the Parish Clerk will have access to any individual forms: they will see only the summary results.

There will be no attempt to identify individuals or to use the data for any purpose other than that specified above.

Thank you for your co-operation.

Ken Jordan - Chairman, Chailey Parish Council

An opportunity not to be missed - Your chance to become a Parish Councillor There is one vacancy on the Parish Council which the Council proposes to fill by co-option. Anyone thinking of applying is welcome to contact the Clerk at the Parish Office who will be pleased to answer any questions about eligibility for the position and about the role of Councillors and the part they play in the life of the Parish. Any person who wishes to be considered as a candidate to fill the vacancy will need to submit a brief curriculum vitae and a short written statement explaining why he/she wishes to join the Council and the skills and experience that he/she would contribute to its work.

The closing date for showing interest and submitting the information set out in the preceding paragraph is 16th February 2018.

POWER NEED

In early January, I contacted UK Power Networks suggesting that Chailey should be monitored as to the use of its network and whether our numerous networks are able to meet the energy demand

required for now and the future.

I have received a response from the South East Community Affairs Officer and he is helpfully willing to investigate if dates and locations of power cuts are identified.

We often have short power cuts and, on behalf of residents I am asking whether we need an up-grade. Clearly, the overwhelming majority of power faults occur due to damage from trees, high winds – storms, electrical equipment or motorists/bikers crashing into electricity poles as some of us experienced on 27th December.

I am sure many residents have this information, but here it is again:

For our vulnerable Chailey residents who need extra support during a power cut UK Powernetworks provides a free service. Please contact: ukpowernetworks.co.uk/priority Call 105 to report power cuts and damage to the electricity network.

FASTER BROADBAND

I, along with many residents living at the New Heritage Way continue to ask for an up-grade. On their behalf, I wrote again in January.

SOUTH DOWNS NATIONAL PARK BRIEFING MEETING FOR LEWES DISTRICT COUNCILLORS

Not many of my fellow colleagues attended this meeting. Representing Chailey residents, in my view - I believe it was important to attend and learn how much weight the National Park's Plan will have over and above national policy and our local Lewes District Plan policies. So many of us cherish and wish to protect the South Downs and the National Park is 85% farmland. It was unusual to include Lewes town in the park as it is the largest urban town in any Park in England. As far as planning and development, the problem lies with our northern rural villages that are outside the park within the District of Lewes – we and our sister villages are vulnerable.

I continue to support resident's wishes of ensuring Chailey retains its rural character whilst wanting to attract young families to our community.

Chailey Litter Pickers

574 bags so far!

Over Christmas and New Year my husband and I were able to spend a few weeks in New Zealand. We were based in Christchurch a city on the east coast of the south island, but also travelled around a bit, including a week of cycling. The slower pace of cycling allows you to take in the countryside and really appreciate the emptiness of the country in comparison to the UK.

What amazed and saddened me was that while the city was noticeably free of litter, everywhere we went in the countryside there was visible and regular litter. As in the UK common items were plastic bottles, cans and crisp/chocolate wrappers. Litter really is a worldwide problem!

With a population of 66 million the UK has relatively little free space and so there are short distances between villages and towns. In New Zealand there are 4 million people and lots of empty countryside with long distances between settlements. This must make it more difficult to deal with litter as walking those roads to pick it would be pretty impossible.

Here in Chailey our litter pickers are out walking the roads of the parish on a regular basis, giving their time and energy to make where we live a better place. It has been really great to have a few new people join us in the last month. If you hate litter why not join us and do something about it? We'd love to have you along.

Next Group Litter Pick: Saturday 17th February. Meet at Pound Common car park at 10am. Some equipment available on the day. Bring gloves and a grabber if you have them.

Bonfire season is still sometime away, but there is still a lot of fundraising to be done to make our fireworks this year extra special! We have some great events coming up, so please support us!

The 100 club in January was won by G Taylor winning number 47. Congratulations and many thanks for supporting Chailey Bonfire Society!

Saturday 10th March - Jumble Sale at the Chailey Village Hall. Doors open at 11am. Why not clear out all that stuff you don't really need after Christmas? If you have any good quality items, you wish donate for the Jumble Sale you can deliver them to the Village Hall on Friday

9th March 7pm- 8pm or Saturday 10th before 10am.

Saturday 21st April – St Georges Fete - 12pm to 4pm. The village of Chailey will be coming together once again to celebrate St Georges Day. We would welcome all other Societies and organisations around the village to participate. There will be lots of stalls, attractions, children's rides, food, tea coffee and cake, boot sale, beer tent as well as our very popular dog show (entry details in next months' issue).

Please contact Yasmin on 07376 071248 or email yasmin.black93@gmail.com to book your pitch/stall or for more details.

It takes a lot of people to put on a successful event, if you feel that you could offer your services to assist us and need further details or information please contact Diane at

Chailey Horticultural Society

February has arrived and may be things are starting to move in the garden.

Seeds must be ordered and potatoes should be chitting in a light frost free place.

For those with a heated greenhouse or warm conservatory this is the time to start growing potatoes in buckets or potato grow bags to give you a crop of new potatoes at the beginning of May. I think the best variety for this is Swift as it combines early cropping with good texture and flavour. Rocket is an alternative though any first early will do. Place 4" to 6" of compost in the bottom of the bag or bucket and on this put 4 potatoes green shoots uppermost and cover with 2" of compost. As the green shoots come through just cover with more compost until within about an inch of the top. Keep well watered and ensure drainage by standing it on bricks. Any earth or compost will do perhaps with some added grow more. At frost free times they can be moved outside and later sowing can be done for a later crop. An excellent way of saving space and great fun for children.

Now is the time to order grafted plants. Most tomatoes, peppers, aubergines, chillies and cucumbers have grafted varieties. A vigorous disease resistant root stock is used and on to this is grafted the fruiting variety. The plants tend to be more vigorous and produce larger crops and do not suffer from soil borne diseases.

Plant now tomato and aubergine seeds for greenhouse growing as they need a long growing season. They will need to be started in a propagator and given plenty of light and warmth to prevent them from becoming leggy. Transplant when the first true leaves appear. Chillies and sweet peppers can be planted next month. A few lettuce seeds started on a windowsill and moved into the greenhouse will give an early crop.

Cut down Autumn fruiting raspberries to ground level and cover with a good layer of manure. The rhubarb patch will also benefit from a good covering of manure.

Don't forget the Great Chailey Bake Off on Saturday 24th February and the Spring Show on 24th March. A few schedules will be available at the Five Bells, The Horns Lodge and The South Chailey Stores or from me Good Gardening

The second course is Emergency First Aid Awareness. This is a 3 hour course and will give delegates a basic overview of the main life threatening First Aid subjects to include unconsciousness and recovery position, CPR and AED, choking, bleeds and shock and bandaging, heart attack/angina.

If you are interested in taking part on both or either of these courses please let John or the Parish Office know. 01825 722286

Article from The Bishop of Horsham.

Early in February, the Church remembers Jesus being presented in the Temple. Wise and holy old Simeon, utters the words of the Nunc Dimittis, including: to be a light to lighten the Gentiles and to be the glory of your people, Israel. It is the proclamation that Jesus is not simply for those associated with him, the Israelites, but for everyone else as well, the non-Israelites, the Gentiles.

Clergy get used to people casually referring to God and to prayer as 'your department' or 'your business'. 'Have a word with your boss' people joke; 'say one for me.' It is as if people acknowledge prayer as valuable, even important, but consider it someone else's business. Perhaps there is too much truth in those jokes that imply prayer is for the specialists or professionals rather than everyone else. The 2018 Year of Prayer reminds us that prayer in the name of Jesus, like Jesus himself, is for everyone and not just for those most publicly associated with him.

Certainly clergy should pray for their people daily at Morning and Evening Prayer, but they are also bidden to ring the church bell to tell everyone that it is happening. Church bells both announce that people are being prayed for and call them to join in whether in Church or elsewhere. If you cannot hear a church bell, you can set an alarm on your watch or mobile phone creating a regular reminder to pray. There are many opportunities to learn about praying this year, not least in Lent which also begins this month, but let me commend to you the Daily Prayer of the Church, which you can download to your PC, smartphone or tablet. Just visit your App Store, search for Church of England, download and join in.

With prayers and good wishes,
+Mark Horsham

INSPIRING WOMEN

Our next meeting is on Tuesday 6th February when we will have a touch of show business in the form of Simon Moll whose talk is called What Makes a Super Star. Just what is needed at this dark gloomy time of the year.

In January we welcomed Ian Kirby who gave us a History of Chailey Heritage. Ian has been a volunteer at the Heritage for 25 years and he described how it has grown from in 1903 when Dame Grace Kimmins came down from London

bringing seven boys with her until today when there are over 80 pupils. It was interesting to hear how during the First World War men who had lost limbs in the fighting came down to learn from boys with the same disabilities how to cope. Now there are many activities for the children, from the hydrotherapy pool, riding ponies, doing artwork and many more. The latest is the establishment of a small farm. The staff/pupil ratio is very high, at least one-to-one and frequently two or even three to one which means a huge amount of money needs to be raised to maintain the Heritage.

We meet on the first Tuesday of each month in the Village Hall at 7.45 pm. Prospective members and guests are always welcome for a nominal charge of just £3.

Margaret Smith - 01825 723519

Chailey Commons Society

As we move into the second month of the year, we can see that the days are slowly getting longer, and we look forward to spring again. Heavy rains and storms during January have helped to restore the water table and the commons have been rather soggy.

This is a good result for the commons as the ponds and stream are an integral part of the habitat and we now know from surveys during 2017 that we have some special ponds, and there are some quite rare species in them, such as the Mud snail and the Fairy shrimp. The water quality has been found to be good apart from where there is run off from the roads, and we shall be continuing to progress our work in this area with the help of the Flagship Ponds Project through the Freshwater Habitats Trust, guided by their Southern Officer – Francesca Dunn.

Our meetings continue during February with an Indoor Talk called 'Lumps, Bumps and Holes in the ground – history on Chailey Commons' by Linda Ball and Ian Seccombe in the Chailey Village Hall at 7.30.p.m. on Thursday February 8th 2018. Parking and refreshments and visitors most welcome. I look forward to meeting you there.

A final thought for you - no Full Moon in February 2018 - how is this possible? This last happened in 1999 and occurs about 4 times a century. February is the only month that this is possible because the lunar cycle is longer than the number of days in February. When this does occur January and March usually have 2 Full Moon as it does this year. One Hundred Years Ago

February 1918 - Prisoners of War Concert

On January 19th a very successful concert was given at Sheffield Park Reading Room to raise money to send comforts to our local prisoners of war. The programme included carols by six of the Sheffield Park children and a recital by F Blogg. Mrs Barker and Mrs Ford received well merited encores for their charming songs, Mrs Barker delighted with her violin solos and Miss Histed and Mr Stanley Blogg gave great pleasure with their well chosen recitations. Lieut. Cliff R.F.C. gave some extremely humorous and rousing songs and Lieut. Rawnsley R.F.C. showed us how much melody could be evolved from

a one stringed Japanese fiddle. At the conclusion of the concert Mr Skinner proposed and Mr Blogg seconded a very hearty vote of thanks to all those who took part in the programme for the very enjoyable evening. The amount realised was £6 and after the necessary expense it is hoped to hand over the sum of £4 10s to the local Prisoner of War fund.

DRINK THY WINE WITH A MERRY HEART - Lecturer Jane Gardiner

No doubt over the festive season many readers will happily have drunk their wine with merry heart! However have you ever considered the history of the glass you are holding? Well now is your chance to find out. Do come to this very interesting lecture on the origins of drinking glasses and the different drinking habits and customs in other countries.

Wine implies a party and throughout the world ceremonial events and festive banquets are always celebrated with wine and the vessels used for this, over the years, have also taken on their own importance. The Greeks were drinking wine from the 13th Century BC. and often drank well into the night whilst discussing ideas, dreams and philosophy., (no change there!) The Germans liked to drink from a large community cup and also favoured the cantir, from which the wine was attempted to be poured into the drinker's mouth via a spout with much merriment involved.

The lecturer Jane Gardiner trained at the V & A where she specialised in early European ceramics and glass. She was also a senior lecturer at Sotheby's Institute of Art for seventeen years. The lecture will be accompanied by a digital presentation and followed by tea and biscuits and a chance to talk to Jane.

The cost for the lecture is £7 for non-members. For further information please contact our membership Secretary Ann McNorvell 01825 721458 or newickdfas2017@gmail.com.

Newick Country Market

Newick Country Market is held every Friday from 10am until 11am in Newick Village Hall on the A272

Newick Country Market is currently looking for Producers.

Do your friends tell you what a wonderful cook you are?

Have you been inspired by the Great British Bake Off?

Do you produce new innovative items of handicraft?

Would you like to turn your skills into extra income?

Would you be interested in joining us?

The market has a good seasonal selection of locally grown vegetables, sweet and savoury home baked goods, which are always popular with customers, as well as eggs and preserves. We also have handmade greetings cards and knitted items, paintings, and animal portraits. Plants and flower arrangements are also available. Orders can be taken for any of the above. If you cannot see what you want feel free to ask one of our producers.

All the items are produced by members of the market and our food producers have the required standard of food hygiene certificate.

Refreshments are also available so come and see us and stay for a chat with your friends.

It is advisable to come along early as many items sell out fast.

Contact Joy on 01825 722907 or pop into the Market.
