## A note from St Peter's

Nearly half way through 2019! Last month, we enjoyed spells of unseasonably warm and sunny spring weather, which, as someone pointed out, although wonderful for us, was actually quite wrong in terms of climate. True, of course, but it has been lovely to see the birds busily nest building and rearing young, and in many cases the earlier warmth and the more recent clement weather will have prompted some of them to raise more than one brood.

In church, we follow the seasons, too. We are still in the Easter season, believe it or not, even as you have this magazine popped through your door at the beginning of June. This period comes to an end at Pentecost, or Whitsun as it is often more commonly known. This year, that date is Sunday June 9th.

Pentecost is the annual Christian festival commemorating the descent of the Holy Spirit on the disciples of Jesus after his ascension from earth to heaven on Ascension Day. It always falls on the seventh Sunday after Easter. Pentecost means "fiftieth day", as it is celebrated on Pentecost Sunday, the 50th day of the Easter season (including Easter Sunday) Depending on the date of Easter, written about in a previous magazine, It can fall as early as May 10th and as late as June 13th.

Whit Sunday, Whitsun, meaning "White Sunday", was once a particularly popular day to be baptized, and the name is derived from the white garments that were commonly worn by adults and children who were baptized on this day.

Pentecost is followed by Pentecost Monday (also known as Whit Monday), a public holiday in many countries with Christian traditions, including the UK in years gone by. In 1971, the Banking and Financial Dealings Act changed the date of the holiday to make it fall on the last Monday in May rather than on the day after Whit Sunday. So, the Late May Bank Holiday is a "secular replacement" for the Whit Monday holiday and is usually known just as the Spring Bank Holiday.

As has happened over the past few years, St Peter's is again hosting leading Sussex choir 'Coro Nuovo's annual 'Sussex Young Musician of the Year' semi-finals competition. There will be 11 musicians with connections to Sussex competing in the event, from which four very talented young people will be selected to go on to the finals later in the summer. If you want to be awe-inspired by the raw musical talent of these 18 to 25 year olds who are all en-route to pursuing a professional career in classical or jazz music, make the afternoon of June 2nd a date for your diary and come to hear this year's very special free concert. It begins at 2.30 pm, and if you would like to come along but cannot spare the whole afternoon, you are free to come and go as you please between pieces. St Peter's will be hosting a variety of social events in the coming months, to which everyone is warmly welcomed. The first one will be a quiz, with food, booked for Friday evening June 28th, so we hope you will make it a date, maybe gather a team together, or come on your own, and book your place(s), for what promises to be a fun evening. Please keep an eye on our website for the finer details and the method of obtaining your tickets.

With all best wishes,

*Christine Peskett (Church warden)*

# Friends of Chailey Windmill

The Mill and Rural Life Museum will be open on Sunday 30th June from 3 - 5 pm and the entry fee is £1 for adults and 50p for children 10-16.

Something new to see this year is the restored clock face of the St Peter's Church clock which was made in 1856 to celebrate the six hundredth anniversary of the church. When a new clock was installed the original was completely overhauled and put into the windmill. An interesting DVD is shown in the Mill which depicts all the windmills throughout Sussex.

## Love Reading and No Mobile Library

Why not join us at St Peters Church on a Wednesday morning 10-12 and enjoy coffee and biscuits and possibly discuss your recent read with others. We have been donated a varied selection of books in good condition and have a selection we will introduce when space becomes available. You can access the library at other times as the church is open daily, but it would be lovely to have a chat and discuss the books we enjoy.

## From the Parish Leaflet June 1919 cost 2d.

Our Rector, Thomas H.L. Jellicoe, has at last returned home after sixteen months' service abroad. To mark this glad home coming the bells of the old Parish Church rang out their joyouse greeting while our picturesque village green was gay with flags in honour of this joyous event. It must be a wonderful change for the Rector to look once more over the peaceful meadows surrounding his home after living for so long amid the mine infested waters of the Eastern Mediterranean and the Black Sea. Most of us felt we wished to welcome him in person and accordingly from the station to the Rectory there were many to cheer him as he passed. The record of foreign service he has just completed in such historic places as Malta, Mudros, Salonika, Sebastapol and Constantinople, during the Great War of 1914-18, will add another page to the history of those Rectors of Chailey who have served their King and Country in the hour of national need.

# School Funding - Maria Caulfield

I fully support our local schools calling for more funding as over the last few decades schools in East Sussex have been underfunded by as much as 50% less per head of population than our neighbours in Brighton and Hove. Since being elected I have campaigned for this injustice to be reversed and was pleased when last year schools across the Lewes constituency saw an 8% increase overall in school funding. However, I recognise that more needs to be done.

Although more money is going into our schools than ever before and school funding is at a record high, with the increase in demand and rising costs this still leaves our local schools in Lewes struggling. The core schools' budget has increased to £42.4 billion this academic year and is set to rise to £43.5 billion in 2019-20. This follows the additional £1.3 billion of funding over and above what was promised in the last Spending Review.

However, having met with most local schools I do share their concerns and that is why I have met with the Secretary of State to lobby for more school funding in the spending review which is due to take place soon. Last year I successfully secured an 8% increase in funding for schools across Lewes. This year schools locally are seeing another increase. For example, South Malling school, is getting extra funding as the baseline budget is going from £941,000 to £998,000 which is a 3.29% increase in per pupil funding and a 6% increase over all. On top of that the Government has just announced that it will fully fund the 23.6% increase in teachers pensions contributions. Staffing accounts to close to 90% of most schools' budgets and the proposed pensions increase was a huge pressure facing most schools.

I fully recognise the financial pressures our local schools are facing and having been successful last year in getting a significant increase I will continue my efforts for a long term, sustainable settlement. We are lucky to have such wonderful schools locally and I will do all I can to support them.

## Chailey Commons Society

As April changed to May the temperature changed again from very warm to cold and heavy showers, occasionally of hail, came along suddenly and sometimes caught us out.

There was a magnificent continuing show of spring flowers and the bluebells were amazing, taking over from the carpets of wood anemones. The sheep's sorrel *Rumex acetosella* covered some areas of the open spaces of the commons with the rich orange, red and brown tones of the short flowers. On Pound Common the ponds were displaying a speckled array of the small white flowers of the Water Crowfoot *Ranunculus aquatilis* which seemed particularly strong this year. These are part of the Ranunculus family of which the best known is probably the Buttercup.

The English Longhorn cattle have continued grazing on the lower commons helping to check the fast growth in the herbage. The horse bridge over the central stream on Romany Ridge has been strengthened with more robust sleepers to allow continued / safe use by people and horses. This is the route which the cattle also usually take when moving across towards the Holford Lane area. The present pedestrian crossing has been moved to an existing crossing located in the trees just to the north of the present one and improved using sleepers. This is to allow habitat recovery from the foot poaching impaction. This is an important hotspot for marsh gentians / wetland flora / fauna.

Our outdoor activities will continue in June with the Nightjar Walk on Tuesday 11th June starting from the Sports Clubs car park by the A272 at 9.15.p.m. As usual our route will be chosen to be one of listening and looking, varying as required, to follow the churring of these nocturnal or crepuscular birds in their search for their predominate food of moths. Nightjars are inactive by day but become active at dusk. They are well camouflaged birds. it's a lot easier to spot the birds in silhouette than amongst the dark trees. The walk will finish in the dark so bring torches.

Our annual outing will be to Wiggonholt and Graffham Commons West Sussex on Saturday June 15th from 9.30.a.m until 5.00.p.m. by minibus departing from the car park by the A272. Approx. cost £15 and refreshment break at Pulborough. Booking essential so please ring or email to book a seat to [mail@chaileycommons.org.uk](mailto:mail@chaileycommons.org.uk).

## theWI INSPIRING WOMEN

Our next meeting is on Tuesday 4th June when we have a talk by Ann Chance OBE entitled Petticoat Pilot.

In May we had our annual Resolutions meeting and the two resolutions chosen out of hundreds submitted by WIs all over the country were discussed in detail and voted on. Following this we had some instruction on Card Making by one of our members

which was most enjoyable. With patient guidance and encouragement from Jo we all were able to take home a sample of our handiwork.

We meet on the first Tuesday of each month in the Village Hall at 7.30 pm. Prospective members and guests are always welcome to join us for a nominal charge of £3, which includes delicious home-made refreshments.

### Birdsong and a robot at the May Chailey Repair Café!

Chailey Repair Café had another successful day when they opened for business on Saturday May 11th, with more than 100 visitors and nearly 90 repairs attempted, including everything from a synthesiser, which was coaxed

into birdsong and a magnificent toy robot, which was encouraged to spring back into life.

Founder and coordinator Bryan McAlley said: "We appear to be attracting visitors from far afield now, including parts of Kent where so far they don't have a Repair Café – we also have welcomed visitors who are thinking of setting up one in their home area and wanted to see what goes on"

Bryan added "We are now seeing a wide range of items being brought to us for repair – this time we looked at a camera, some adjustable dumbbell weights, an overlocking sewing machine (a complicated beast!), a child's car seat, a car battery charger, a barometer, several items of clothing and much more."

Chailey Repair Café is part of a world-wide movement where volunteer experts repair things free of charge – although a donation towards running costs is invited. Anyone can bring along broken items or clothing needing repair from home, and have a cuppa and some cake while they wait!

**Chailey Repair Café next opens at Chailey Village Hall (next to the Five Bells Pub) 10am – 1pm on Saturday 8th June and Saturday 13th July and then on the second Saturday of each month.**

## Chailey Neighbourhood Development Plan

As part of the statutory process to be followed for putting in place a Neighbourhood Development Plan for Chailey a period of consultation on the Draft Plan must be held.

**The consultation is under way: now is your chance to take part**

**The consultation period began on 17th May and continues until 5.00 pm on 28th June. All comments and representations must be made by that time.**

The Draft Plan and its appendices, together with a form which you should use to make comments and representations, are available:

- On the Parish Council's website at [www.chailey.org](http://www.chailey.org);
- On request to the Clerk to Chailey Parish Council ("the Clerk"). You should send an email to [chaileypc@btconnect.com](mailto:chaileypc@btconnect.com), write to Chailey Parish Council, The Parish Office, The Reading Room, Chailey Green, East Sussex, BN8 4DA or telephone the Clerk on 01825 722388;
- For inspection at The Parish Office, The Reading Room, Chailey Green, East

Sussex, BN8 4DA. The Parish Office is generally open between 10.00 and 12.00 on weekday mornings: please check in advance with the Clerk that it will be open on the day on which you wish to visit; and

- At the time when they are open to the general public, for inspection at the following locations:

The Five Bells Public House, East Grinstead Road, Chailey BN8 4DA

Chailey Surgery, Mill Lane, South Chailey BN8 4PY

Newick Health Centre, Newick BN8 4LR

North Chailey Dental Care, Station Road, North Chailey BN8 4HD

St Peters Church, Chailey Green, Chailey BN8 4DA

Chailey Free Church, South Common, South Chailey BN8 4AN

Bluebell Railway, Sheffield Park Station, Sheffield Park TN22 3QL

The Draft Plan has been developed to help deliver the local community's requirements and aspirations up to 2034 and has been created through listening to the views of the residents of the Parish. The completed Plan will, if it comes into effect, provide a means of guiding, promoting and enabling balanced and sustainable change and growth in Chailey.

**Comments and representations on the Draft Plan are welcomed. All comments and representations submitted will be made publicly available. A form is available for making comments and representations: it can be found on the Council's website or obtained from the Clerk or from any of the locations where the Draft Plan can be inspected.**

Please send all comments and representations to the Neighbourhood Development Plan Steering Group using one of the following methods:

- by email to: [shapingchailey@gmail.com](mailto:shapingchailey@gmail.com);
- by post or by hand delivery to Chailey Parish Council, The Parish Office, The Reading Room, Chailey Green, East Sussex, BN8 4DA; or
- by hand delivery at any of the following drop-in sessions. These will be held at the Parish Hall, Chailey, BN8 4DA on the following dates:

Saturday 15th June 2019, between noon and 3.00 pm; and

Friday 21st June 2019, between 6.00 pm and 8.30 pm.

All comments and representations received will be considered by the Steering Group and the Parish Council and will help to shape the final Plan. A Consultation Statement, including a summary of the main issues and concerns raised and how these were considered, will be published with the final Plan.

Please address any queries to the Clerk at the Parish Office.

Thank you: we look forward to hearing from you.

Plan Steering Group**

## Chailey Horticultural Society

June is the month when everything seems to be growing at its fastest and that includes weeds. It is important to keep on top of the weed situation as it is very easy to let it get out of control.

Strawberries will be ripening and becoming prey to birds and molluscs. Netting will keep the birds away but dealing with molluscs is more problematic. Straw is often used to keep the fruit off the ground and clean but may become a hiding place for slugs and snails. Slug pellets are of some use but now only those containing ferric phosphate are available and they are not a contact killer. Sometimes it is possible to use small twigs etc to keep clusters of fruit off the ground.

Runner beans will be starting up their poles. It is actually better to grow runner beans up a straight line of poles rather than in the traditional V shaped pattern. More open growth

allows a better flow of air and better pollination and setting and avoids over crowding as the beans reach the top of the poles. They require regular watering and if not growing self setting varieties a fine spray of water after a hot day may help setting. Pick regularly to ensure continued cropping as like many vegetables once it has set seeds in mature pods the plant may decide its duty is fulfilled and give up!

The same applies to French beans both dwarf and climbing although both are usually self setting.

Keep greenhouse tomatoes well watered and well supported and stop after six trusses have set. Outside tomatoes will also need watering in dry weather and it is vital to do this without wetting the leaves to avoid blight. Usually four trusses are sufficient for outside crops. Both need a weekly feed once the first truss has set. Try using a seaweed based feed as I think this may improve flavour.

Chillies, sweet peppers and aubergines need feeding once the fruit has formed.

Keep marrows, courgettes and pumpkins well watered.

Try to use water from a water butt as this will be at the right temperature. Water straight from the tap may be too cold and cause scorching in hot weather.

Autumn sown broad beans will be coming to an end. They do not usually suffer from black fly but those sown in the spring may well do. The infestation always starts at the top of the plant. To try and avoid this remove the growing top as soon as sufficient pods have set. This can then be used as a spinach like vegetable.

Finally start thinking about our summer Show on Saturday 20th July and what you might be able to enter.

## **New Local Independent Business Networking/Support Group LCGB – Local Chailey Business Group**

Having lived, and now working, in Chailey for the past eight years, I felt there was definitely a need for a local business networking group. It's taken a while, but I've discovered there is a plethora of interesting, unique little businesses, many hidden away from the naked eye. Businesses I want to work with, and for many good reasons I hope you will agree with.

I'm completely time poor, so every second my kids are at school counts, and driving off to other more distant networks is a costly affair (both time and money). Not forgetting, in the event I do meet like-minded businesses, I have to continue to meet miles from my workplace, taking up more precious time. And let's not overlook our carbon footprint... which needs to be made smaller at every turn!

And yes, I've written the dreaded 'networking' word, which often inspires chills down the spine and a cold sweat, for some regarded as a pointless, painful, time consuming horror. So, I didn't want to create that... an overly competitive environment, where it was only about making cash, with eye gazes firmly fixed on the next name badge. This group is about sitting down over a cup of tea and really supporting one another with skills gaps. I'm an expert in what I do, but not one in all aspects of running a business. We all excel at different things, so finding some other local independents to share and swap skills with is a great way to grow and develop our businesses. Since forming existing members have inadvertently done lots of business together too.. It's far better to do business with someone you know and trust!

Working alone, can be lonely and a big challenge, so getting out every couple of weeks for an hour to have an un-pressurised natter with other birds of a feather is a great way to recharge and refocus....

I am inviting anyone who runs an independent business in Chailey to come along and

join our merry band of individuals. You don't have to appear every time we meet, but given that it's only once or twice a month it would be good to see you sometimes. We will be putting on a harvest event on the September 21st to showcase the diverse number of Chailey Businesses on your Doorstep, exciting times! Want to know more ... Get in touch by contacting [Claireottewell339@gmail.com](mailto:Claireottewell339@gmail.com) or calling 07812177427.

### St George's Day

We couldn't have asked for anything better, the weather was fantastic and attendance was a new record. The takings from the day exceed £4500 for this increasingly popular village event. We would like to thank everyone who helped make St George's day the success it was, to those who benefit from the things that Chailey Bonfire do, for the benefit of others – the gifted Christmas Party and a free Bonfire Night celebration.

### 100 Club

Winner of our May draw was number 78 – Gary Jones. Congratulations Gary.

### Dates for your diary :

Friday 6th September – Membership Badge Night at The Five Bells

Saturday 21st September – Jumble Sale at Chailey Village Hall

Saturday 9th November - Bonfire Night Celebrations

Once again, we are running a competition to design a badge for this year's bonfire season.

- Anyone can enter.
- The design must incorporate "Chailey Bonfire Society 2019".
- The design must be in colour, on A4 paper.
- Please bear in mind that the design will be reduced considerably to fit onto the badge, so fine detail may be lost.
- Write your name, age if under 18, address and phone number on the back and send it to: Chailey Bonfire Society, 2 South Common Cottages, South Chailey, BN8 4AN.#
- Entry closure date to be confirmed.

You can follow all our exploits and events on the Chailey Bonfire Society website <http://www.chaileybonfire.co.uk>, or our Facebook group – just search for 'Chailey Bonfire Society', or enter this address: <https://www.facebook.com/groups/ChaileyBonfireSociety>

## Representing Chailey

It was with great pleasure that I have received so many good wishes from Chailey residents. Thank you. I, or for that matter - no one can ever please everyone all

the time - but the promise I made in 2003 remains the same. I will continue to give my time and energy in representing everyone within our community.

Over the years, I am still tenacious enough to fight for local democracy and ensure we in Chailey and our northern, rural villages of the District have a voice. My following comment is probably controversial and possibly unpopular. The Lewes District geographic area (to me) does not make sense. Saltdean, Telescombe Cliffs, Peachaven look to Brighton. Newhaven looks to Brighton and Seaford. Seaford looks to Eastbourne. Lewes town is its own place. The rural Northern villages have their own personalities. Our communities and priorities are incredibly different and the Councillors often have little in common. Over the years I have not always agreed with fellow Councillors and policies – regardless of their political parties. Clearly, this is not an easy road.

On a very positive note: I would like to take the opportunity of thanking the Chailey Bonfire Society team for all their hard work organising a brilliant St. George's Day event. The weather was glorious and I hope people were generous.

## Chailey Cricket Club

Surprise, surprise – the first game played at North Common brought along the rain. It must be summer! Hopefully, this will not be repeated during our June fixtures:

- 2 June we visit East Dean and Friston (pitch is on the road to Birling Gap] from 2pm.
- 9 June at home against Buxted Park from 2pm
- 23 June at home against Gully Cricketers from 2pm

Enjoy a journey out and watch all or part of these games?

### Photos

Thanks again to Mike Gilbert who has sent more old club photos. Discovered when sorting out a relative's belongings they are on our website: [www.chailey.play-cricket.com](http://www.chailey.play-cricket.com)

### From our old minute book:

Sunday cricket was a contentious issue for some in the village. At an annual meeting held on 14 April 1947 opponents of Sunday cricket moved the motion '*...the playing of Sunday cricket and proposed that it be banned as far as Chailey was concerned*'. A discussion ensued during which participants gave their reasons for and against Sunday cricket in Chailey. The subsequent vote:18 to 3 (2 abstentions) dismissed the motion in favour of continuing Sunday cricket.

That same year Chailey rested at the bottom of the reformed Lewes & District Cricket League [it lapsed during the war years]. Led by captain Bob Bentley the wooden spoonists of 1947 saw a reversal of their fortunes the next year:1948 repeating a feat they had previously achieved in 1938 by becoming league champions.

### Stoolball

Stoolball is said to be the forerunner of cricket. Unfortunately, Chailey no longer has a stoolball club. Chailey used to have a very successful, stand alone and flourishing senior side that played in the Mid-Sussex Stoolball League. Sadly, like the Senior Football side that folded some years earlier, the stoolball followed suit a few years later.

Since the demise of the stoolball club the cricket club has stored their wickets, boundary rope and markers, marking board and some old bats and balls in its store in the hope that the club will rise from the ashes. If you are interested in reforming the club, in the first instance please contact the cricket secretary on 0790 4842128.

For more information on the game of stoolball visit the Stoolball England website: [www.stoolball.org.uk](http://www.stoolball.org.uk)

In the meantime, please come and watch the cricketers. Want to play? Contact Peter on 07709 946880

## Chailey Litter Pickers

### 1207 bags so far!

The 2019 Great British Spring Clean promoted by Keep Britain Tidy was a great success. Across the country 563,163 people took part in 17,097 separate clean ups, giving 1.1 million hours of time. 957,377 bags of litter were collected! Imagine that all in one pile, it would be enormous! In Chailey we were proud to take part and contributed 106 bags of litter over 6 days of litter picking events. Great work and thank you to everyone who gave their time and energy to helping keep Chailey beautiful.

Next group litter pick: Saturday 29th June, meeting at Chailey Green at 10am. Please bring gloves and a grabber if you have them. Some equipment available on the day.

For more information contact Janet Caughley on 01273 400785 or

# Badminton is Fun!

Newick Badminton Club are running a Summer Badminton Season again this year for 6 weeks, to be held at our normal venue in Newick Village Hall starting at 7.45pm until 10.15pm.

The dates are as follows;

Tuesday 4th	June
Tuesday 11th	June
Tuesday 18th	June
Tuesday 25th	June
Tuesday 2nd	July
Tuesday 9th	July

The cost will be £5.00 per person, per evening, paid on the night.

We are always looking for new members who would like to play Club or League standard badminton, including people new to the game, or maybe others who would like to return to the game having played before.

There are lots of people who play badminton at our local leisure centres, but you can play badminton in Newick, with feather shuttles, and support a local Club at the same time.

So why not come along with your friends and see what its like. We can also offer help with improving your game and playing enjoyment, and we also now have improved facilities in the Newick Village Hall.

If you are interested in coming along then please call David on 01825 723299, or Christine on 01825 769502, or alternatively come along on one of the evenings.

## Newick Country Market

Every Friday 10 am to 11 am Newick Village Hall

If your garden is lacking colour come along and see our wide selection of bedding and perennial plants all ready to plant out now that summer is here.

The market has a good selection of locally grown vegetables as well as homemade savoury and sweet bakes as the fancy takes you, bespoke greetings cards, jewellery, knitted items, preserves, and flower arrangements for that special occasion. Orders can be taken for any of the above, and special diets can also be catered for. If you cannot see what you want feel free to ask one of our producers.

All the items are produced by members of the market and our food producers have the required standard of food hygiene certificate.

If you haven't met us before why not drop in for some freshly brewed coffee, meet friends and catch up on village news.

It is advisable to come along early as many items sell out fast. Further information 01825 722907.

# Uckfield, Lewes and Newick Arts Society

June 12th at 2.30 in the Civic Centre, Uckfield

AGM at 2.00 followed by Augustus John, King of Bohemia.

This is the last lecture of our season and I thoroughly recommend it! Augustus John led the arts movement in the first half of the twentieth century. His lifestyle was at the time outrageous, his loves scandalous but his extraordinary ability to capture the very essence of his sitters meant he became the most popular portrait painter of his day.

The lecturer Jennifer Toynbee-Holmes has made many documentaries and factual programmes for the BBC, ITV and Channel 4. She is also a senior lecturer at Southampton Solent University in the Faculty of Media Arts and Society.

This lecture will be accompanied by a superb digital presentation. The cost is £7 on the door for non-members and if you need any further information please contact our membership Secretary Ann McNorvell [newickdfas2017@gmail.com](mailto:newickdfas2017@gmail.com).

There are no lectures in July and August but we open our doors again in September with 'Historic Gardens of the Italian Lakes.'

## Stepping Stones Pre-School – Join our Celebration!

This school year Stepping Stones Pre-School celebrates its Golden Anniversary and to commemorate this we're inviting the local community to join us for a fun filled day. For 50 years Stepping Stones has served our village and beyond with a high standard of education

and exceptional care to our Pre-Schoolers.

On 15th June 2019 we will be hosting a fun day in the grounds of Bonners Primary School between 10am and 4pm with all manner of activities for children and adults of all ages. There will be live entertainment including a band, games, races along with lots of stalls and tombola not to mention the chance to win a barrow of booze! There will also be hot food and ice-cream stands and lots of prizes to be won. Admission is free. Come and help us celebrate!

Any profits raised will go towards the fundraising for our Pre-Schools. Registered Charity no: 1031558.

# Lewes District Citizens Advice

**Buyers beware, as thousands of customers report being ripped off on online marketplaces. Lewes District Citizens Advice's tips for using online marketplaces:**

## **Check the product details**

This should include: photos; a description; cost of the item; delivery charges; contact details for the seller; and any cancellation rights.

It should be clear if it's being sold by a trader or private seller - this is important as your rights are different.

Read previous reviews for potential issues, but watch out for fake reviews. "...too good to be true, it probably is!"

## **Take screenshots of the item you want to buy**

This will help if the item you receive is different to what you saw on the website.

## **Use a payment method that protects you**

You'll have a better chance of getting your money back if there's a problem by using a card or Paypal, particularly if it's an overseas seller. Avoid paying by bank transfer.

## **Go back to the seller if there's a problem**

Explain what's happened, how you'd like them to fix it and give a deadline for them to respond.

## **Getting your money back from a private seller**

The product description must be accurate; if information is missing you won't be able to ask for your money back.

If the item doesn't match the photos on the website, you may also have grounds to get a refund.

Call us on 03444 111444, visit one of our offices in Newhaven, Lewes or Seaford or check out our website [www.lewesdistrictcab.org.uk](http://www.lewesdistrictcab.org.uk).
