## "Peace In The Storm"

As you are aware my wife who has written all of the previous articles in the magazine is unwell and at the moment unable to continue to write them, so I now have to take that

responsibility.

In a sermon I preached recently I spoke about Jesus taking Peter, James and John up to a mountain top where Jesus was transfigured, his clothes became dazzling white and Moses and Elijah appeared before him. A cloud enveloped them, and a voice came from the cloud saying, "This is, my Son, whom I love. Listen to him!" It was a WOW moment, it showed Jesus's divine nature and was a glimpse of the resurrection. Peter although frightened wanted to build three booths and stay in the moment, but it did not last and they came back down the mountain, back to reality. Mountain top experiences are great and can be exciting and memorable, but they do not last and in reality we have to spend most of our lives in the valley. It is in the valley that we face the daily trial and tribulations of life, the hardships, the worries and the fears and it is in these times that we sometimes do not know where to turn for help, so here are three things that can help us through the storms of life.

### 3 Things God gives us for peace in our storms

1. His Word ... It is the Word of the Living God that guides and instructs us when storms arise. The scriptures are full of promises of peace. God's Word promises us that He will keep us in "perfect peace" when we trust in Him "for in the Lord Jehovah is everlasting strength" (Isaiah 26:3-4). It also tells us that when we dwell in God's "secret place," we can be assured of His protection and deliverance; having no reason to fear (Psalm 91)-now that's what I call peaceful assurance!

2. His Spirit. The Spirit of the Lord is called by many names in the Bible. One of the names He is called is "Comforter." This term-although in today's vernacular, is relative to something you use to keep you warm-can better be used as "Advocate". An advocate is one that helps us, and even argues on our behalf.

The Holy Spirit is given to advocate for us! Jesus told His disciples that He would not leave them "comfortless" when He leaves, but give them "another Comforter" to live with them (us) forever (John 14:16,18). It is the ministry of the Holy Spirit to be the representative of Jesus-abiding in us.

It is through His ministry that we can be calm in the storms of life. Like Jesus, we can experience rest or peace when all hell is breaking-loose all around us!

Does God intend for us to be caught up in the turmoil of the storm or to tell the storm to be still and quiet down?

Our example, Jesus, was resting in the midst of a storm and probably would not have gotten up; were it not for the fright of the disciples-who should have commanded the storm to cease. They failed to remember His word "let us pass over unto the other side." (Mark 4:35).

That word should have carried them from their starting place, through whatever storms may arise, on to their destination. But they cried out for fear! What has the Lord told you that you have allowed the storms of life to speak louder than God's Word-worse yet-or make you forget it?

3. Each Other. The final point I want to make is: God also, uses us to help each other make it through difficult times-He expects us to help one another.

Jesus' life and teachings exemplified this. Whether it was when He healed the sick, raised the dead, cast out devils, fed the multitudes, or taught; I.e., the "four friends" that brought the man to Jesus by letting him down through the roof (Mark 2:3-5); or the "good Samaritan" who found a man beaten and left in a ditch, and took care of his needs (Luke 10:30-37); He commands us to "go and do likewise." (Luke 10:37).

It is our responsibility and privilege to help calm the storms in each other lives as much as we are able. Maybe, all you can do is pray-then pray and stand in faith that God will send the help needed.

Do what you can and God will do what you cannot!

Sometimes when all you have is God, then that is all you need.

# Chailey Commons Society

We can look forward to more spring flowers in March. The daffodils and primroses have been out for a while but there's more to come. An old English proverb reads 'March winds and April showers bring forth May flowers' so let's hope that the winds won't be too rough.

Our indoor meetings have continued with a presentation on the history of the commons with special reference to the various holes, lumps and bumps everywhere. There are so many of these so be careful if walking off the paths.

The bird nesting season starts soon in earnest and many of them are ground nesting so may we appeal to all users of the common to be careful and a special request to those walking dogs to control them respectfully. Please do what you can.

There have been two incidents of reported deer poaching on the commons and this is illegal. Should anyone come across this taking place, the first action should be to call 999, or if discovered after the event a report should be made to the police number 101. The shooting of the gun and the illegal hunting / poaching are both criminal offences. Hunting / poaching being in direct contravention of the stipulated Lewes DC byelaw 11(1).

Our next indoor meeting will be our AGM in the Chailey Village Hall on Thursday March 8th at 7.30.p.m. After the formal business there will be news of our surveys and findings on both Lane End Common and Markstakes Common. We welcome new committee members at this meeting so please come along and join us to help the Society in the future. Visitors and friends also welcome. Refreshments and parking available.

Don't forget that British Summer Time begins on Sunday March 25th – clocks go forward one hour.

Tamara Lempicka Art Deco and the Roaring Twenties      HARRY FLETCHER

Tamara Lempicka was a Russian born Polish painter who spent her working life in France and the United States. She is best known for her polished portraits of aristocrats and the wealthy and for her highly stylized paintings of nudes. Her private life was as colourful as her paintings.

Fleeing the Russian Revolution with her first husband she lived in Paris where she quickly became one of the best-known painters of the Art Deco style. After divorcing him she had several love affairs before meeting her second husband Baron Kuffner when he commissioned her to paint a portrait of one of his mistresses, needless to say she did the most unflattering likeness.

At the outbreak of the second world war she and the Baron moved to America where she continued to work with great success, she once said that her secret was 'Never copy, create a new style with luminous and brilliant colours and rediscover elegance.'

The Lecturer Harry Fletcher is a practicing artist whose work was shortlisted for the Royal Academy Summer Exhibition. The cost for the lecture is £7 for non-members. For further information please contact our membership Secretary Ann McNorvell 01825 721458 or newickdfas2017@gmail.

**INSPIRING WOMEN**

Our next meeting will be on Tuesday 6th March when Brian Braby will be talking on Sussex Place Names which sounds very interesting..

In February we learnt What Makes a Super Star from Simon Mott. The super star in question turned out to be Mantovani, who started life in poor circumstances in Italy, coming to this country as a child when his father brought the family over to further his musical career. Before the war Mantovani was the biggest selling artist as he quickly rose to fame with his orchestra. A little known fact we learnt was that it was his orchestra which accompanied Dame Vera Lynn's recording of the White Cliffs of Dover though it was not credited on the label due to the Italian connection. After a fascinating journey through his life and career there was a little surprise at the end to find that our speaker was in fact Mantovani's grandson. We are busy making plans with the Horticultural Society for the Great Bake-Off day on Saturday 24th February which should be a great outing for all the family. We meet on the first Tuesday of each month in the Village Hall at 7.30 pm when prospective members and guests are always welcome for a nominal sum of £3.

Conference for Churchwomen

I am asked by the Conference Committee of the Bishop's Council to announce that the Chichester Diocesan Conference for Churchwomen will take place this year at the Town Hall Lewes under the Presidency of the Bishop of the Diocese. The Subject for discussion will be 'The religious responsibility of the vote.' Admission free, for further particulars see Notice placed in our Parish Church Porch.

Note February 6th 1918 Parliament passed the Representation of the People Act granted the vote to women over the age of 30 who met a property qualification. The same Act gave the vote to all men over the age of 21.

## **Thank you** - Thank you to kind locals

I would like to extend a massive thank you to the wonderfully kind couple who helped us recently.

My mum has dementia and has limited mobility. My dad cares for her full-time. Last week dad was in bed most of the day with a severe cold and mum randomly decided to set off to the local school to go to a night school class she doesn't have.

The kind couple found my mum stumbling along looking like she was about to fall near Chailey secondary school (about half a mile from our house, further than we thought mum could walk unaided!). They asked if mum needed any help and they realised that she was confused. They chatted with her and persuaded her to have a lift home and fortunately mum was able to direct them.

They brought mum home and waited until she was safe inside, which took a while as dad had been asleep and took a long time to respond to the door.

I can't thank them enough for their kindness and taking time out of their day to help. It would have been awful if mum had fallen and hurt herself, but even worse can you imagine how stressful it would have been for my poorly dad to have woken up and realised mum was missing and have to start searching for her when he felt so ill?

Thank you so much, it is truly appreciated.

## **North Chailey Crossroads Update**

Graham, project manager for the new "Kings Meadow" housing behind the pub, would welcome now anyone wanting to be shown around. Wait until Monday 12th March, then between 11.0 and 2.0 during the working week. Just let him know beforehand of your interest on 07500-660212. His office when you visit is on the first floor of the container stack behind the shuttering; access through the narrow door next to the 'Loading Only' sign on the new pavement. Some interest still in taking on the pub, but nothing serious yet.

At the Shell convenience store opposite senior management has confirmed there are no plans now for all night fuel and alcohol sales. So the licence for these sales is now on the back burner.

## Chailey And District Horticultural Society

Traditionally March comes in like a lion and goes out like a lamb. However over recent years I feel there has been a shift to more cold weather in February and March. At least the days are lengthening and the sun has more warmth so lots of planting to do.

Towards the end of the month plant onion sets. Make a small hole in which to place the bulb with the top just visible. Do not push the bulb into the ground as this may damage the growing plate from which the roots appear. Plant them 6" apart and shorten the top to try and deter the birds from pulling them out. Good varieties are Sturon , Stuttgarten giant and Red Baron.

At the end of the month plant first early potatoes. The easiest way to do this is to make a hole 6" to 8" deep and line it with rotting leaves. Place the seed potato shoots uppermost and cover. The point of the rotting leaves is to provide a slightly acid environment to prevent scab. Check regularly for the appearance of growth above ground and earth up for frost protection.

Early peas can be sown directly if not troubled by mice and Feltham First is a good all rounder. In the greenhouse flowering annuals , celeriac , celery , leeks , summer brassicas and lettuce. Parsnips and carrot are best sown in early April.

Shorten summer fruiting raspberries to 6ft and ensure they are well tied in.

Unlike most bulbs snowdrops are divided and moved as soon as they have finished flowering and are still green.

The grass will be starting to grow and so a top dressing and soil aeration with a fine fork is a good idea. Use grass seed on any thin or bare patches.

Do not forget that we have a plant sale on the Horns Lodge forecourt on Saturday 19th May from 10 to 12.

Saturday 24th of March is our Spring Show in the Village Hall so please come along and support us and why not enter?

Good Gardening . *Peter Estcourt. pge44@waitrose.com 07803179708*

## Neighbourhood Plan: Housing Needs Survey

Each house in Chailey should have received through the post the Chailey Housing Needs Survey Questionnaire .Please complete it before 12th March. You can either return it in the pre-paid envelope that you received or you can complete the form on line at [www.smartsurvey.co.uk/s/Chailey](http://www.smartsurvey.co.uk/s/Chailey). The information you provide will be very important to the construction of the Neighbourhood Plan.

## Chailey Litter Pickers

614 bags so far!

The Great British Spring Clean – Together we can make a difference! Taking place on the weekend of the 2-4th March is the Big Spring Clean. CLP will be taking part over the three days – look out for meeting times and places on Chailey Chat (Facebook) and on CLP group page on [litteraction.org](http://litteraction.org)

Group Litter Pick: Tuesday 27th March. Meet at North Chailey Sports Ground car park at 10am for a couple of hours litter picking. Please wear appropriate footwear and bring high vis vest, gloves and a grabber if you have them. Some equipment is available on the day as well as plenty of bags. Come along and be part of keeping Chailey beautiful. Greenpeace are campaigning on the issue of plastic bottles, easily the most frequent piece of litter we pick up. They have been lobbying Coca-Cola, the biggest soft drinks producer in the world, who churn out billions of single use plastic bottles every year. Coca-Cola have now come out in support of deposit return schemes in the UK, as well as launching a refill trial at Reading University and agreeing to increase the amount of

recycled content in their bottle worldwide. All these are steps in the right direction to tackling the issue of plastic. Both deposit return and refill schemes would help reduce littering too.

Are you upset by the littering of our oceans and countryside with plastic? It's not just bottles, but food containers, the plastic film used in coffee cups, lids, drinking straws, bags and so the list goes on. Could you reduce the amount of single use plastic in your shopping bag? People power works; refuse to buy things wrapped in unnecessary plastic and retailers will stop producing them.

For more information or advice contact Janet Caughley on 01273 400785 or on [janetcaughley@gmail.com](mailto:janetcaughley@gmail.com)

### **Appeal - Buckles Wood Field, Banks Road, North Chailey**

The above appeal was held at Newick Village Hall and was well attended by local residents, in particular, those living at New Heritage Way and

our Chailey Parish Council Chairman who spoke in opposition to this development. The appeal carried onto a fourth day when the Closing Submissions and Statement were presented on behalf of the appellant and Lewes District Council. My submission was one of support for the District and our Parish Council. The Inspector will make the final decision in the months ahead.

Celebrating the original plastic free milk home service and supporting the great british tradition – the milkman – glass making a comeback

I have on a number of occasions in the past championed the service our milkman gives us in our rural community and, indeed, throughout the country. Many have laughed at my support, but the times – they are a-changing. In 1860, with the advent of the new railway network, milk could be delivered direct to our homes and in the 1950's, the horse-drawn method was taken over by the electric 3-wheeled vehicle. In 1975, 94 per cent of milk was put into glass bottles, but that has fallen to under three per cent by 2016. Now, only 13% of milk is delivered by a milkman. The traditional glass milk bottle is the historical recycling container as it can be washed and used up to 25 times and delivery is free.

The negative, is, of course - supermarkets are cheaper and if life is tough and money is short, there is no doubt that the priority is getting the best value for your money and the milkman cannot compete on price. Some Chailey residents have told me that they leave so early, that the milk will go off on the doorstep. Cool For Life Bags keep the milk fresh for (around 8 hours). Jim, our milkman gets up just after 12.00 midnight and frequently delivers to members of our community that are lonely and seeing a friendly face can make such a difference to their lives.

It's more expensive for our Dairy farmers who are producing milk without chemicals and care for their animals, rather than the factory-farmed cows who have a miserable existence. We have Fair Trade for bananas and coffee – it makes sense to reward our small farmers who offer better welfare and a better product – a Fair Trade for our UK farmers.

Lastly, our local milk service will be using electric vehicles in 2018, so we have completed the circle. Eco-friendly glass bottles and re-introducing electric vehicles many remember fondly in the 1950's and on a lighter note, perhaps some older residents might remember the Benny Hill record – Ernie the fastest milkman in the West!

## **OTHER LOCAL NEWS**

### **100% Bursaries For Talented Children**

Two bursary places covering the full cost of a child's education for ten years, from the age of 8 to 18, are available to children who currently attend state primary school. The 100% bursaries on offer at Cumnor House Sussex from the age of 8 to 13 continue at one of Cumnor's thirteen independent senior school partners from the age of 13 to 18 – thereby supporting each child to the end of their school life.

The two bursaries offered each year are means-tested and are awarded to children who excel academically or show particular potential in art, drama, music or sport. The bursaries are means-tested and children must be about to start Year 4 in September 2018. The deadline for applications is 30th April 2018.

The selection process involves completing a means-tested Bursary and Registration form. Children will then be invited to attend an 'experience day' at Cumnor during which they will be interviewed, undergo some academic tests and be given the opportunity to show their talent, as appropriate, in art, music, drama or sport. The parent or parents will be visited with a view to ensuring that on-going support is in place for the whole family and places will be offered depending on the particular degree of promise shown by each child.

Anyone interested in looking into this opportunity is encouraged to contact Cecilia Desmond, Registrar on: 01825 792 006 or [registrar@cumnor.co.uk](mailto:registrar@cumnor.co.uk). To find out more about Cumnor House Sussex visit our website: [www.cumnor.co.uk](http://www.cumnor.co.uk).

### **Fletching Singers**

On Palm Sunday, 25th March at 7.00pm, The Fletching Singers are combining forces with East Sussex Bach Choir to sing the English translation of Bach's St Matthew Passion in All Saints Church, Hove, BN3 3QE under the direction of John Hancorn. This monumental piece, composed in 1727, is hailed as the greatest setting of the Passion story in western music.

The work comprises two choruses, two orchestras (instrumentalists from The Baroque Collective, led by Julia Bishop) and a group of soloists (Evangelist, Nick Pritchard; Jesus, Bradley Travis; Soprano, Helen-Jane Howells; Alto, Rebecca Leggett; Tenor, Paul Austin Kelly; Bass, Stephen Charlesworth). The concert will be dedicated to the memory of Nick Milner-Gulland, The Fletching Singers' former music director, who initiated this joint performance before he passed away in November. Tickets priced at £25, £20 and £15 (under 16s free) online on [www.fletchingsingers.co.uk](http://www.fletchingsingers.co.uk), or [www.eastsussexbachchoir.org](http://www.eastsussexbachchoir.org), or ring 01825 712462

# Newick Country Market

Newick Country Market is held every Friday from 10am until 11am In Newick Village Hall on the A272. PLEASE NOTE during Easter week the market will be open on THURSDAY 29th March (Maundy Thursday) instead of Friday 30th (Good Friday), at the usual time. We have a good seasonal selection of locally grown vegetables, sweet and savoury home baked goods, which are always popular with customers, as well as eggs and preserves. We also have handmade greetings cards and knitted items, paintings, and animal portraits. Plants and flower arrangements are also available. Orders can be taken for any of the above. If you cannot see what you want feel free to ask one of our producers.

All the items are produced by members of the market and our food producers have the required standard of food hygiene certificate.

Refreshments are also available so come and see us and stay for a chat with your friends.

It is advisable to come along early as many items sell out fast.

Lewes District Citizens Advice expects January and February to be the busiest months for debt advice

To help people kick off 2018 on a stronger financial footing, Lewes District Citizens Advice is sharing its six top tips to help people get their finances in order.

For information and advice, call us on 03444 111444, visit one of our offices in Lewes or Seaford or check out our website [www.lewesdistrictcab.org.uk](http://www.lewesdistrictcab.org.uk) for further details.

Six top tips to sort out your debts.

1. Work out how much you owe - Make a list of who you owe money to and add up how much you need to pay each month.
2. Prioritise your debts - Your rent or mortgage, energy and council tax are called priority debts as there can be serious consequences if you don't pay them. These should always be paid first. Separate these and work out how much you owe.
3. Work out how much you can pay - Create a budget by adding up your essential living costs, such as food and housing, and taking away these from your income. Any money you have spare can be put towards your debts. Citizens Advice budgeting tool can help.
4. Paying urgent debts - You may have several priority debts and can't pay them all. Contact all your creditors to find out if you can negotiate on how much you pay, or when you pay them. Always pay first any priority creditors who are taking action against you.
5. Paying non-urgent debts - If you have any money left after paying priority debts, consider getting a free debt-management plan. You'll make one monthly payment to the plan provider, who will handle paying your creditors. Or contact your creditors and offer them what you can afford to pay.
6. If you can't pay your debts - If you've got little or no money spare to pay your priority debts seek advice from us straight away.

Contact number: 01273 477924

1. National Citizens Advice analysed the number of people visiting Citizens Advice with debt queries. The period was 1 November 2016 to 31 October 2017.
2. On the 31 January 2017, 2,779 people sought help with their debt problems, compared to an average of 2,151 for the rest of the year.
3. In the 12 months to November 17, there were 9,608,399 page views on the Citizens Advice website. The busiest day was 30th January, which had 59,000 views. The daily average for the year was 26,300.

Alternatively contact your local Citizens Advice on 03444 111 444, find drop in details of opening times on our website [www.lewesdistrictcab.org.uk](http://www.lewesdistrictcab.org.uk)

## **Lewes Windmill District Guides Trefoil Guild**

For a change this year instead of a January New Year Pub Evening Meal together we celebrated the start of our 2018 Programme with Lunch at The Cock Inn Wivelsfield.

We were able to look back on another year of varied activities - indoors and out, and speakers who had visited to give talks on interesting topics. These included a demonstration of Canapes by the Head Chef at Glyndebourne and a talk by Geoffrey Mead on 'Ancient Sussex'. We were able to give practical help to the leaders of local Rainbows, Brownies and Guides when called upon for an extra 'helping hand'.

This year the Guide Trefoil Guild celebrates its 75th Anniversary. Our Programme will feature a mix of Indoor and Outdoor events as well as a special invitation to attend a London and South East Service of Celebration at Southwark Cathedral in July.

Do you have happy memories of being a Brownie or Guide? Of Camps or Jamborees? Feel you would like to give something back to enable the girls of today to do likewise by being there to give occasional support and encouragement in the background. A warm welcome awaits you.

For more information please phone Jane Stent 01273 400632 or Linda Samson 01825 723171.

## **Newick Bowls Club**

Did YOU know that Newick has a long established (over 100 years) Lawn Bowls Club, with one of the finest greens in the County,

just waiting for you to join it. Beginners, improvers and experienced players are all welcome. Coaching sessions for individuals and groups are held regularly at the Club.

The Club has a year long programme of fixtures, both social and playing, for you to enjoy, with a well-stocked bar thrown in!

The Summer Season starts in April, and we look forward to welcoming you. For more details please refer to our website - [www.bowlsnewick.co.uk](http://www.bowlsnewick.co.uk).
